Discussion/Summary: <p>As CAP planned, there were only 2 items of business: 1) approve the minutes and the treasury report; 2) Meet and Greet and pizza party. Before the Meet and Greet began the President reviewed that the membership numbers were much lower than last year, as well as the pavilion rentals, boat ramp fees, and donations. It was explained that the Board will need to adjust expenditures to comply with the budget as it stands. A plea went out to everyone to encourage people to join CAP. The President pointed out that at the table manned by Board members, there was a list of projects/ways , both ongoing and one time events, they could sign up for. Everyone seemed to enjoy the Meet and Greet/ pizza party. Members gave positive feedback to the BOG.</p>	Unallocated
